A personal car service will transport you from your Cairo hotel to the Fayoum Oasis, where the distance from the city amounts to 130 kilometers. The Cairo day tour to Fayoum Oasis and the Cairo historical sites guided tour lead travelers along beautiful desert territory and tiny populated regions, showing standard Egyptian village life. Lake Qarun serves as your starting point because it stands as

one of the world's most ancient natural lakes, dating back to Pharaoh times. Tourists visit this well-known lake because its crystal-clear water and numerous birds attract nature enthusiasts during their Egypt day trips.

Then, you will stop at Crocodilopolis (Fayoum), which was a religious center devoted to worshipping Sobek, the crocodile god. This location features unique Greco-Roman era archaeological sites with important temple remains, statues, and ancient ruins that make it a highlight of any Cairo private tour. You will then proceed on your Egypt tour to visit Wadi El Rayan, which is renowned for its breathtaking waterfalls and serene environment. Visitors can use this site as an amazing spot to relax and capture pictures while enjoying the picturesque views of the desert, making it one of the most peaceful day trips from Cairo.

You will visit Tunis Village and other nearby communities within the Fayoum Oasis, in addition to our exploration of the main attractions.
